Re: Macomb County Sheriff – Letter of Recommendation

Dear Jim,

I am pleased to write you this letter about my experience with the Macomb County Sheriff's Office. I apologize that I am unable to attend your meeting to comment in person, as I have a Board Meeting the same evening.

The Macomb County Sheriff's Office has been the protection for Macomb Township for 2 decades. They have always provided the Township with many services on a routine contracted basis. In addition to contracted services, we receive numerous support services such as Detective Bureau, Evidence Technicians/Crime Scene, Communications, Traffic Bureau, K-9 Unit's, Motor Carrier, and numerous undercover teams. Each and every service is critical as the Township has grown tremendously since 1990.

The Township currently contracts 22 staff members from the Sheriff Department that includes a Lieutenant, Sergeant, and Road Patrol on a 24/7 basis. Over the past 3 years in my administration, I am extremely pleased to have worked with the former Sheriff, and current Sheriff, Anthony Wickersham, and continue to support the Sheriff contract.

I thank the Macomb County Sheriff's Office for the dedication they put forth to the Macomb Township community for the health and welfare of all. Their overall professionalism and response time is to be applauded.

The Macomb County Sheriff's Office is highly recommended to any community who may consider using their services.

Sincerely,

Mark H. Grabow
Macomb Township Supervisor
