APPLICANT SIGNATURE

Section 23a of the state construction code act of 1972, Act No. 230 of the Public Acts of 1972 being Section 125.1523a of the Michigan Compiled Laws, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or a residential structure. Violators of this section 23a are subject to civil fines.		
Signature of Licensee	Print Name	Date

1. The contractor will hold harmless and indemnify Bruce Township for all liability arising out of the performance of his work.
2. The contractor will give notice to Bruce Township at least two (2) normal working days prior to his intended commencement date for any new project in the Township for which he is engaged.
3. The contractor will provide a minimum of 24 hour notice for inspection requests.
4. The contractor will ascertain and comply with all ordinances and maintaining all licenses that regulate the work for which he is engaged.
5. If the contractor damages the existing waste water and domestic water facilities or causes foreign material to enter the systems, he shall be responsible for making the necessary repairs or cleaning the system as directed by the Superintendent. Failure to comply with these requirements within forty-eight (48) hours shall cause Bruce Township to take whatever remedial action is necessary to resolve the situation and said cost shall be paid by the applicant or his security company.
6. The contractor is responsible for permits which may be required for work in the Macomb County Department of Roads right of way and from the Macomb County Soil Erosion Department.
