Dear Homeowners,

The Bruce Township Assessing Department is continually working to update and maintain accurate assessment records. In addition, the State Tax Commission guidelines recommend that assessors inspect 20% of properties in their local unit annually. Accurate assessments, including correct record cards are a benefit to all property owners.

Between now and the end of 2022, our staff will be visiting the properties high-lighted on the attached map to update the assessment records by verifying exterior measurements of all structures and taking new photographs.

- This visit does not require the homeowner to be home in order to complete the update.
- Field personnel will not ask to enter your home.
- Field personnel will have proper photo identification.
- Field personnel will knock on your door to identify themselves and explain the update procedure.
- If no one is home, a door hanger will be left on the door to inform you that an inspection of the property has been completed in accordance with this notice.
- **No further action is needed by the homeowner.**

If you have questions, please feel free to contact the Assessing Department at 586-752-4585 ext. 200 or [assessing@brucetwp.org](mailto:assessing@brucetwp.org). Thank you for your cooperation.

Lisa Griffin  
Assessor
